RECOGNIZING THE GEORGE MARK CHILDREN'S HOUSE

HON. FORTNEY PETE STARK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 3, 2005

Mr. STARK. Mr. Speaker, I rise today to recognize the George Mark Children's House in San Leandro, California, the first free-standing residential children's hospice and respite care facility in the United States. The House offers around the clock respite care; transitional care, end-of life and family care services to children with life-threatening or terminal illnesses.

The George Mark Children's House's focus is on keeping the family intact while in the midst of profoundly challenging circumstances. The House features private family quarters that allow parents and siblings to stay together with a child during the final stage of his or her life, when care at home or the hospital is no longer practical and/or desirable. The House helps families make the most of the precious time they have remaining together. In this unhurried, nurturing and non-institutional setting, child focused end-of life care and bereavement support is available for the entire family.

An interdisciplinary team of specialists staff the House; pediatric physicians, nurses, social workers, spiritual care counselors, therapists and intensively trained volunteers. Through the generosity and support of the community, the George Mark Children's House is accessible to medically eligible families, regardless of their ability to pay.

It is anticipated the House will serve up to 150 families per year from the San Francisco Bay Area and beyond. I am hopeful the George Mark Children's House will serve as a model to be replicated throughout the country for the establishment of other residential children's hospices for terminally ill children, and respite care for their families with a full spectrum of supportive services.

I send best wishes to the George Mark Children's House as we welcome them to our community.

CONGRATULATING KAREN KUREK OF HINSDALE, ILLINOIS

HON. JUDY BIGGERT

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 3, 2005

Mrs. BIGGERT. Mr. Speaker, I rise today to congratulate Karen Kurek, a resident of the 13th Congressional District of Illinois, on receiving the U.S. Small Business Administration's 2005 Illinois District Office and Midwest Regional Small Business Administration Champion Award for "Women in Business Champion of the Year."

Karen Kurek began her career in Arthur Andersen's Audit practice in 1981 where she became a manager in 1985 and a partner in 1994. Soon after her elevation to partner she gave birth to twins, which made it difficult for Karen to continue with the 60-hour workweeks that are customary for partners. Facing a dilemma common to many women—how to manage a career and family—she paved a pioneering path at Arthur Andersen by proposing and negotiating a reduced work schedule on what was to be a one-year trial basis. Karen faced her fair share of skeptics, but she proved them wrong. She not only excelled at Arthur Andersen, but she committed herself to making these same benefits available for other women working for the firm.

Karen's success led to her appointment as head of Arthur Andersen's innovative Growth and Retention of Women (GROW) Initiative. Established in 1998, GROW's purpose was to significantly enhance the recruitment, retention, advancement and leadership paths of women within the firm. Under Karen's leadership, the GROW initiative led to reduced turnover among women, an increased number of women in leadership positions, greater implementation of flexible work schedules, and Arthur Andersen's repeated citation in Working Mother Magazine's annual list of "100 Best Companies for Working Mothers."

Today, Karen continues to help women excel in the workforce. As a partner at RSM McGladrey, she heads the firm's Women's Initiative—an ongoing, multi-faceted program of networking, mentoring and career-building activities designed to create a culture that encourages diversity and allows women professionals to excel.

Throughout Karen's career, she has paved the way for the women who followed her. Working tirelessly to establish a supportive environment for women in the workforce, she helped to create an atmosphere in which women looking to balance a career and family can thrive professionally. I commend her for improving the lives of women and their families and I once again congratulate her on receiving this much deserved award.

CELEBRATING THE CITY OF TREASURE ISLAND, FLORIDA'S 50TH ANNIVERSARY

HON. C. W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 3, 2005

Mr. YOUNG of Florida. Mr. Speaker, I rise to ask my colleagues to join me this afternoon

in celebrating the 50th anniversary of incorporation of the City of Treasure Island, which I have the great privilege to represent.

It was at 2:32 p.m. on May 3, 1955 that the Florida State Legislature by a special act incorporated the towns of Sunset Beach, Boca Ciega, Sunset Beach, and Treasure Island into the City of Treasure Island.

Throughout this past half-century, the city has grown into a favorite destination for beach goers from throughout Florida, our Nation and the world. Although the current population of Treasure Island is 7,500, in the winter months it more than doubles to accommodate the many visitors who want to experience its beautiful beaches; colorful sunsets; unique shops, restaurants and businesses. It is a great community in which to live, to work, and to play.

Many individuals, volunteer organizations, and elected officials have made significant contributions to the development of Treasure Island over the past 50 years. Eight individuals have had the honor to serve the city as Mayor and countless others have served on the city council. Together, they have worked hard to maintain the small town feel for this jewel of Florida's Gulf Coast.

In closing, Mr. Speaker, let me again congratulate the people of Treasure Island as they gather today for the reenactment of the signing of their charter of incorporation. It has been an honor to represent the city in public office for 45 of their first 50 years and to call it home for many of those years. Please join me in wishing the City of Treasure Island and its residents and visitors well as they embark on their next 50 years of living and working together.
